

Engineered

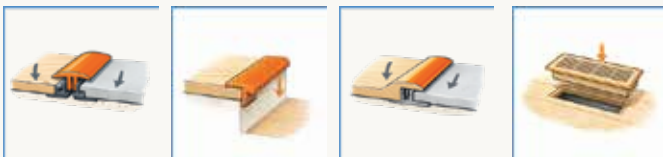

We The North - 3mm

We The North 3mm is a premium engineered hickory flooring that combines natural character with lasting performance. Featuring a multi-layered construction, 3mm veneer, and a handscraped, distressed, and brushed texture, it brings warmth, depth, and authenticity to any space. With its matte finish, tongue-and-groove profile, and versatile installation options for on, above, or below grade, it is a refined choice for homeowners and designers seeking timeless style with everyday durability.
